

## INVITATION

# Badminton Stockholm Open BSO

7 – 8 December 2024

Welcome to the 2024 edition of BSO, in cooperation between the Stockholm Badminton Federation and five badminton clubs in Stockholm.

We are looking forward to gathering players from all over Sweden as well as from several European countries. The younger age groups will gain valuable tournament experiences, at two different levels. Our top elite players will compete for the cups as well as prize money in the prestigious U22/Elite category.

BSO offers two levels for the youth categories U13, U15 and U17: MJT and SJT.

Master Junior Tour, MJT, is for players at a lower competitive level.

Swedish Junior Tour, SJT, is for elite level players.

BSO 2024 is arranged by Kista Badminton Club (U11 and MJT U13), Täby Badminton Association (U13), Skogås Badminton Club (U15), Sollentuna Badminton Association (U17), and Spårvägen Badminton Association (U22/Elite).

The first rounds will be played Saturday in the respective hall of each local organizer, while all semifinals and finals will be played Sunday in one common venue: Enskede Rackethall. Based upon the experiences from previous years, we expect the atmosphere to be great with all age groups playing side by side and many coaches, club leaders, technical officials and spectators getting together, united by the power of badminton!
